Dear Class of 2024,

Heartiest congratulations on reaching this significant milestone in your academic journey! As you stand on the threshold of new adventures and challenges, we extend our warmest wishes for your future endeavors.

Your time at IITB has been an incredible series, with each semester like a new season filled with drama, discovery, and unforgettable moments. You've faced difficulties and celebrated triumphs. Now, as the credits roll on your final season, and you step into an exciting new spin-off, here's a timeless treasure of all your memories!

As you move forward, we hope this yearbook will be your personalized Netflix series, each page unfolding like a new episode, capturing the essence of the friendships forged, the late-night study marathons, and the hurdles overcome together. Just like your favorite binge-worthy series on Netflix, let this yearbook be a cherished narrative that you revisit again and again, celebrating the drama, comedy, and heartfelt moments that defined your journey at IIT Bombay.

With love,  
Student Alumni Relations Cell

Dear Class of 2024,

Congratulations on reaching this milestone! Your journey through the institute has been truly unique, with the switch between online and offline semesters. You have overcome extraordinary circumstances, making your batch develop high resilience to face various challenges that you may face in the future.

Looking back, you'll see the path that brought you here was long and winding. Now is the time for celebration and recognition of your accomplishments. As you step into your careers, always remember why you chose your respective fields and the sacrifices you made to get here—to serve communities and improve lives with compassion, honesty, and integrity.

No matter where your interests take you, seize the opportunities that you get, and always keep alive the student spirit in you and continue to grow your knowledge.
